

## WeCare Supplies

The St. James *WeCare* bags offer the homeless in the downtown area a modest meal, along with a hopeful message. The bags are packaged at St. James by volunteers and Day School students and distributed weekdays from the church office. Up to 50 bags are distributed daily.

Your contribution of items or funds toward bulk purchase of items is vital to this important downtown ministry. Please make checks payable to St. James Episcopal Church, and note *WeCare* in the memo area of your check. —Thank you.
